No 10980

Bangalore 26th March 1913

From M Shama Rao Esq B A
Offg Inspⁿ Genl of Education in Mysore

To C S Balasundaram Iyer Esq B A
Secretary to the Government of His Highness the
Maharaja of Mysore in the Departments of Education &c
SII

I have the honour to inform you that the Government High School at Bangalore is the largest institution of its kind maintained by the State. It has about 450 pupils on its rolls, distributed among 11 classes or sections. The clerical work consequently is too heavy for the writer of the school who finds it impossible to attend to the necessary correspondence and maintain the registers and account books. The introduction of the School Leaving Certificate has considerably added to the number of registers to be maintained in the school. He has also to write out about 140 certificate forms which is a task involving much labour. There is a Librarian in the school but his time is fully occupied in his own work. There is a large number of books in the Library which he is to take care of and the number of boys borrowing the

books

books is also large. Moreover, under the new arrangements, the boys of the IV and V Forms attend the Reading Room 40 at a time during the optional subject hours and books of reference have to be issued to them by the Librarian. On account of these difficulties the Head Master has not been able to get through the clerical work without arrears.

2. Under these circumstances I request that Government may be pleased to sanction the employment of a second clerk in the school on Rs 15 a month with effect from 1st July 1913 and order the inclusion of the provision in the State Funds Budget for 1913-14. After the proposal is sanctioned, a formal proposition statement will be submitted through the Comptroller.

I have the honour to be

Sir,

Your most obedient servant

Offg Inspector General
